Fortnightly Tasks Supplementary Learning You can complete as many or as few of these as you like, depending on your time available.	Art Have a go at doing some shadow drawing. This is where you put an object on to a piece of paper so that you can see it’s shadow then draw around it. You can use the sun or a light to create the shadow.	Health and Wellbeing and Art Put on some music and take a pen for a walk across the page. Use both hands together, see what interesting patterns you can produce. Colour them in.	P.E. Challenge Find a skill that you want to improve in, draw a grid and practice this skill every day for the next two weeks and record your scores. For example; sit ups, skipping, burpees, push ups. The choice is yours.	ICT Over the next two weeks try to post a photo of some art work you have done onto Teams. There will be a designated page for this.
	Drama challenge Create a dialogue for you and another family member. Then perform it using different voices. How does it change the feeling of what is being said?		Home skills challenge If you don’t know already, learn how to use a washing machine. Remember to get parents/carers permission first.	
Any time tasks These are independent activities which you can catch up on any time.	Personal reading – try to read for at least 30 minutes per day, either on your own or with an adult Sumdog – log in to your account regularly to keep up with your mental maths skills Linguascope – catch up on your Spanish or have a go at learning other languages
