Writing

The Toystory and Shrek Groups

Have a look at the picture below.

**How did this pirate get stuck
on a deserted island?**

You are going to write an imaginative piece of writing, to tell the story of how the pirate got stuck on the deserted island.

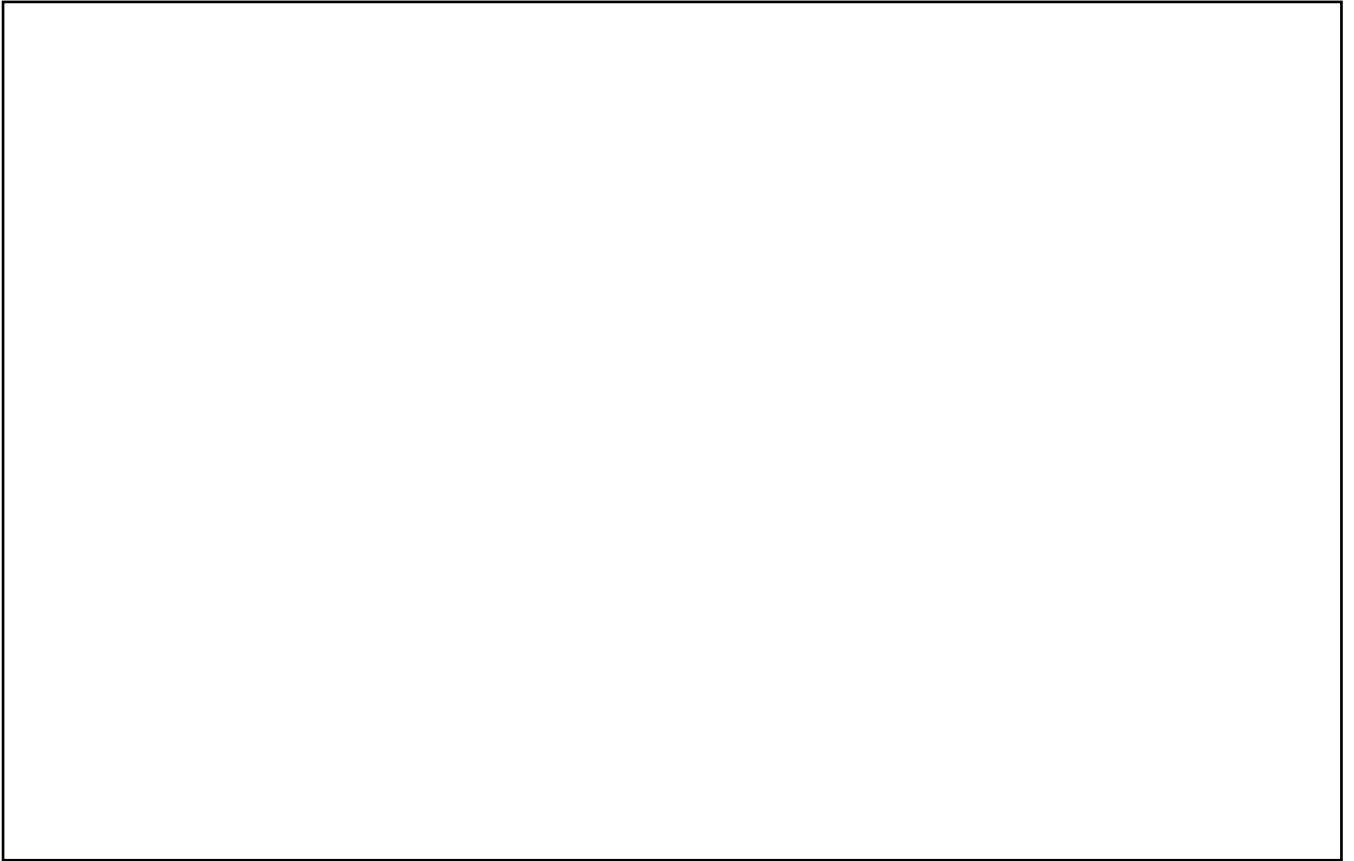

- Draw a clear and detailed picture of the pirate, your picture might show how he got stuck on the island.
- Write at least 3 sentences, to describe what happened to the pirate. Is he alone? Are there other pirates with him? Does he have a parrot with him?

- Try to sound out the words with sounds you have already learnt independently.
- If there are words with sounds you haven't learnt or any **red** words you aren't sure of, ask an adult to help.
- Remember to start your sentence with a capital letter, remember any names also start with a capital letter.
- Remember to leave a finger space between each word.
- Remember to put a full stop at the end of your sentence, or you could use an ! if you are writing something exciting to add emphasis!
- See if you can write your sentences in cursive!
- Can you add 3 words which include any of the set 3 sounds which you have learnt so far?

Miss Inglis and I would love to see your writing! If you would like to you can share this on the blog or email it to admin@prestonstreet.edin.sch.uk for us to see.

Enjoy your writing!

Name _____ Pirate Stuck on Deserted Island

A large, empty rectangular box with a black border, intended for a drawing or illustration.
