Read the information below. After you have read the information, look at the questions on pages 2 and 3. You can say the answers aloud or you can write them down.

This is Duke. Duke is a dog. His breed is a labrador.

Duke is very cute. He is a big dog with chocolate brown fur, yellow eyes and short, fluffy brown ears. Duke lives with the McCoy family in Blackburn, Scotland. Duke knows his name and will come when they call him. Duke loves to be out in the garden and this is where he spends most of his time. Duke likes to play with the children and run around with them. Duke has lots of energy, he runs really fast. He jumps high and likes to play in the rain. He runs through the long grass and sits under the tall maple tree, this is one of Duke's favourite spots in the garden. Duke enjoys hunting for sticks and sleeping in the sun. He looks and sniffs to see what he can find in the garden with his very powerful nose. He plays with his toys and eats bones. Duke needs to go on long walks and goes for 2 long walks every day.
