

Monday 22nd to Friday 26th June

Core learning tasks

We would like to say a huge congratulations for completing Primary 1! We know it has been a very strange end to the year and not what we were expecting but you have all been very resilient and hard working. Well done! We are going to miss you all but looking forward to seeing you all around school next year. Now it's time to have a think about your first year in school!

Activity 1

Complete the 'My favourite memories from this year' worksheet.

The worksheet gives you the chance to reflect on the year and discuss it with someone at home and then draw/write about it. It asks you to think about your favourite memories and activities of the year and what you have loved about being in Primary 1! It would be really lovely for Miss Sampson and I to see what you have written. You can email photos of you and your worksheet to the school admin email address.

Have a look at our answers from the worksheet!

Miss Inglis says:

My favourite moments from P1 are all of them but in particular I enjoyed when we had our Scottish party and we all did the Auld Lang Syne Dance! It was a lot of fun and laughter!

The memories I will treasure are getting to know all of you and your personalities!

My favourite activity was making the Christmas hats and crackers for our Christmas party. We had a lot of fun making them.

What I have loved most about this year is working with Miss Sampson to teach all of you! You have been a fantastic, happy, funny and entertaining class! I will miss all of you! Well done for working hard this year and keep up the great work in p2.

Miss Sampson says:

My favourite moments from P1 are all of them. I have had a wonderful year with you all, I love seeing all of your happy, smiling faces and I will miss you next year!

The memories I will treasure are all of the fun times and learning that we shared together. I have loved getting to know you all and being one of your teachers!

My favourite activity was baking the Christmas cookies and crispy cakes for our Christmas party.

What I have loved most about this year is team teaching with Miss Inglis and getting to know all of you wonderful boys and girls and your personalities!

Mrs Boswell says:

My favourite moment from p1 is definitely the very first time I met you all when you came to visit with your Mums, Dads and carers. There were so many smiley faces.

The memory I will treasure the most is the nativity show you all took part in, you had all worked so far. It was a fantastic showcase of your skills.

My favourite activity has to be our story writing on Thursday mornings, you never cease to amaze me your ability and attitude!

What I have loved most about this year is getting to know you all, it has been a pleasure to help in p1.

Activity 2

Draw or paint a picture of you in school.

You could draw:

- your first day of school
- you and your friends
- you and the whole class
- you playing in the classroom or in the playground with your friends

Remember to include lots of details into your drawing. No stick people please!
