

P1 Home Learning Grid

Monday 8th June – Friday 19th June (2 weeks)

If you need to get in touch with your class teacher or Mrs McLaughlin for any reason, please ask a parent to email admin@prestonstreet.edin.sch.uk

The blog will be updated with key learning on the following days:
Monday 8th June Monday 15th June

Weekly Tasks Core Learning Please try to complete all your core learning tasks.	Numeracy & Mathematics <i>See class blog each Monday for details</i>	Literacy and English <i>See class blog each Monday for details</i>	Other Curricular Area <i>See class Blog on Monday for details</i>
Fortnightly Tasks Optional Learning You can complete as many or as few of these as you like, depending on your time available.	Numeracy & Mathematics  Mathematics Measurement Investigate capacity using jugs, cups, bowls, teapots etc. Order the items in order of how much liquid they hold. Investigate with making the objects full or empty and talk about which one is biggest and smallest.	Outdoor Learning Mathematical Scavenger Hunt On your daily walk, can you find any of the following shapes: • Square • Rectangle • Circle • Triangle Can you make your own list and tick the shapes when you come across them?	Literacy and English Choose an animal to watch on the zoo webcams.  https://www.edinburghzoo.org.uk/webcams/ Ask your child to write or say a short story about their favourite animal. Ask them to draw a picture to match.

	Art - Elmer the elephant Follow this link to show you how to create Elmer the elephant out of a used empty milk carton. https://theimaginationtree.com/milk-jug-elmer-elfephant-craft/  Dance - BBC sounds has stories and music to dance along to. https://www.bbc.co.uk/sounds/brand/b03g64pk	Health and Wellbeing (Personal and Social) Cosmic Kids also offers short mindfulness sessions called Zen Den which are very relaxing and great for busy minds. Watch this video about 'Mini the Puppy' and participate in some mindfulness. https://youtu.be/K7FUbtac_ds	Unstructured Play  This allows children the freedom to explore, create and discover without predetermined rules or guidelines. Your child should be experience this every day. This not only fosters cognitive, physical, social and emotional development but it specifically helps creativity and imagination, problem-solving abilities and social skills.
Any time tasks Independent activities. Catch up on any time.	Home Learning Booklet Choose a page from your Home Learning booklet to complete.	Personal reading – read for 10 minutes per day, either on your own or with an adult.	Sumdog Log in to your account regularly to keep up with your mental maths skills
	Writing Practise writing the following tall letters: b d h l Write a row of each letter Circle your best one on each line. Think of something that starts with d. Draw it and write the word or a sentence beside your drawing.	Listen to a Coorie-in story on our Preston Street Youtube Channel. Remember there is a new story uploaded by Mrs McLaughlin every Friday at 12pm.	

We would like all our learners to complete the Core Learning activities and attempt some of the Fortnightly Tasks. However, we are aware that you may also be working from home and supporting/ caring for other family members. Please get in touch if you require any support or advice with the Home Learning. We are always here to help.
