

Monday 8th June to Friday 12th June

Maths

**Optional task**

To help split the day up into times, we can organise the day into categories such as morning, afternoon, evening and night.

Draw a grid like the one below and draw or write what different things you do at each time of day.

*Challenge* – can you write sentence(s) about what you do at each time of the day. For example: In the morning I eat breakfast then I get dressed. After that I wash my face and then brush my teeth before going outside to play.

|         |           |
|---------|-----------|
| Morning | Afternoon |
| Evening | Night     |
